

CLEANSE ANTIBACTERIAL

AgroBac FOAM Wash

Perfume-Free & Dye-Free Antibacterial Foam Hand Wash

PRODUCT DESCRIPTION

Perfume-free and dye-free antibacterial foam hand wash with Benzalkonium Chloride.

WHERE TO USE

Use to remove light to medium contamination in low and high risk areas where high standards of hand hygiene are required e.g. food manufacturing/processing, catering and food service.

HOW TO USE

- Apply to moistened or dry skin
- Rinse off thoroughly
- Dry thoroughly

Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.

FORMAT: FOAM

FEATURES	BENEFITS
Perfume-free and dye-free	<ul style="list-style-type: none"> • Will not taint food when used as an antibacterial hand wash
Soap-free formulation with skin friendly pH value	<ul style="list-style-type: none"> • Helps to maintain the natural acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection
Generates water economies	<ul style="list-style-type: none"> • Can save up to 45% on water consumption compared to lotion soap use
Foam technology provides excellent cost in use	<ul style="list-style-type: none"> • Highly economical, only one dose is required to provide an effective hand cleansing • Provides over 30% more washes compared to standard lotion soap
High quality smooth foam	<ul style="list-style-type: none"> • Wonderfully 'silky-smooth' skin feel when washing; helps to improve hand washing compliance
Convenient, quick and easy	<ul style="list-style-type: none"> • Dispenses foam instantly on to the hands, reducing the time required to create lather • Quickly and easily rinses away to leave no residue on skin or in the sink

STATUTORY REGULATIONS

This product is manufactured and labeled in compliance with the Federal Food, Drug and Cosmetic Act issued by the Food and Drug Administration (FDA). Deb products are produced and tested to ensure they meet the quality requirements for registration and/or approval by the FDA.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/us/sds.

QUALITY ASSURANCE

Deb products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in Deb's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

SHELF LIFE

This product has a shelf life of at least 36 months from the date of manufacture when stored unopened at room temperature.

EFFICACY TESTS

Water Saving: Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water consumption by as much as 45% (Conclusion of report: "How a simple change in the washroom can significantly reduce water consumption and associated costs", Durrant and McKay, 2011).
